

GUIDELINES AND MURAL APPLICATION

Johnson City encourages mural projects that enhance the community and increase connections between artists, neighborhoods and city residents. The Public Art Committee can assist you in a variety of ways. As you develop your project proposal, we can offer feedback and suggestions to ensure you have a realistic timeline and sufficient budget as well as a plan for ongoing maintenance once the work is installed. We can help you navigate city codes and statutes so you are sure to be in compliance, and we can coordinate presentation of your proposal to our committee and the City Commission.

Note: All applicants are strongly encouraged to meet with a member of the Johnson City Public Art Committee at least one month prior to submitting a mural application. Applicants are strongly encouraged to share their plans with the surrounding properties and neighborhood association prior to submitting a mural application.
