PROJECT DESCRIPTION:

To showcase local artists living in and around Johnson City, Johnson City Public Art (JCPA) will be selecting artwork to be printed on weatherproof banners. The banners will be installed in and around Founders Park from June 2023 to May 2025.

A wide variety of artistic practice (painting, sculpture, printmaking, pottery, photography, glass, jewelry, metal work, fiber art, etc.) may be depicted. An individual artist may submit up to 3 images for consideration. Submitted artwork must have been produced in the last 5 years.

BANNER LAYOUT

Total banner dimensions will be 30”w x 63.25”h. Each banner will include a 6.25”h banding at the bottom which includes the artist’s name and the JCPA logo, bringing the final artwork dimensions to 30”w x 57”h. Please refer to the example layout shown below.

JCPA reserves the right to crop or adjust artwork that does not conform to 30”w x 57”h. These alterations, if required, will be made with attention to legibility, best impact, and aesthetics.

Please note: Banding colors will vary.

IMAGE REQUIREMENTS:

Submitted images do not have to be in a high resolution format, but if your artwork is selected for the exhibition you will be required to provide a print quality image (at least

300 dpi). While your artwork does not have to conform to the 30”w x 57”h dimensions of the banner, if it does not fit these dimensions it will be cropped or adjusted as needed to fit the banner dimensions. If photos do not meet specifications required for a quality print, they must be resubmitted.

Bold, legible artwork that reads well from a distance and from below is preferred. Images should have good sharpness and contrast.

Guidelines for photographing physical artworks are as follows:

- **Take photo with the highest quality camera you have available and at the highest resolution possible**
- **Photograph the artwork as straight on as possible (do not angle the camera)**
- **If possible, set camera on a tripod or other stable object and use the timer function on the camera to take the photo (this will decrease the likelihood of shaking and producing a blurred image)**
- **Do not compress the photo when submitting**
- **Ensure that there is no glare present in the photograph**

Please note: The maximum file size that may be uploaded to the online submission form is 50MB. The file size for each image submitted should be 50MB or less for the initial submission. If your artwork is selected for the exhibition, you may then be required to provide an image with a larger file size.

PROMOTION:

Promotions will be scheduled throughout the banner display period and may include: a webpage on jcpublicart.com highlighting banners and artists, an email campaign, JCPA Facebook and Instagram posts, featured articles in The Johnson City Press, and coverage on local new stations. Photos of the artwork and biographies may be included as part of these promotions.

LEGAL INFORMATION:

The Johnson City Public Art Committee and City of Johnson City staff reserve the right to crop or adjust the entrant’s digital file as needed to suit the banner format and dimensions. As the Johnson City Public Art Committee will cover the cost of production of the banners, they own the rights to the banner layouts but not the artwork itself. The artist shall retain all rights to the artwork under the Copyright Act, 17 U.S.C. & 101, et seq. The artist authorizes the Johnson City Public Art Committee and the City of Johnson City to make, and to authorize the making of, photographs, banners, or other 2-dimensional reproductions of the artwork for education, public relations, arts, promotional and other purposes.

When submitting artwork, the entrant acknowledges that the Johnson City Public Art Committee may use the selected artwork for the purposes of advertising the exhibition. This may also require alteration of the work through cropping, sizing, angling, etc. as suitable for the layout of the promotional materials. The entrant grants the Johnson City Public Art Committee full rights and unlimited use of his/her submitted image(s) in the banner layouts and for promotional purposes in both print and digital format.

By entering artwork for consideration, the entrant agrees to all the terms described herein and gives permission for his/her artwork to be displayed in the exhibition for its duration (June 2023 – May 2025). The City of Johnson City reserves the right, at its discretion and without cause, to terminate the lamppost banners or any portion of the banners as it deems necessary.
